Though the weekly lessons are not self-paced, Bible reading and reports are totally self-paced. The books for a year can be read in any order, but are limited to the 16 or 11 for that school year found on pages 266 or 267. There is a brief written report to fill out, plus the student must recite the Memory Verse for the book, and must be prepared to discuss the book with their leader. We recommend using the ESV or NKJV reading plans. [Helpful summaries can be found using this link.](#) **Reading these books is not an option if the student wants to get signed off as completing their book at the end of the year in order to receive their TREK award.**
